

Our Story

Sofi Tucker started selling Shea Nuts at the village market in Bonthe, Sierra Leone in 1912. By age 19, the widowed mother of four was selling Shea Butter, African Black Soap and her homemade hair and skin preparations all over the countryside. Sofi Tucker was our Grandmother and SheaMoisture is her legacy.

Our Curl Enhancing Smoothie, enriched with Silk Protein, Neem and Coconut oils, defines curls, reduces frizz, and smooths hair for a soft, silky feel. Hair is left feeling conditioned without weighing it down for bouncy, healthy curls with a brilliant shine. Section hair and apply product sparingly to damp or dry hair. Do not rinse out. Style hair as desired. For best results, use as a styling cream for twist-outs, braids and wash-and-go styles.
