

mula with:

ing it doesn't

has a strong smell due to its high level of active ingredients which we don't cover up with
it remains safe and effective to use even on sensitive skin

How to use: Introduce into your routine few times a week. Lather a small amount in your hands and onto wet skin. Rinse thoroughly with water. Follow with our Active Barrier Care moisturiser.

For external use only. Avoid getting into your eyes. This product contains alpha hydroxy acid (AHA) which may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use sunscreen and wear a protective garment while using this product. LET OP: Uitsluitend voor uitwendig gebruik. Vermijd contact met de ogen.

Kind of goodness... **INGREDIENTS:** Aqua, Glycerin, Cocamidopropyl Betaine, Lactic Acid, Sodium Myristate, Sodium Hydroxide, Sodium Chloride, Sodium Benzoate, Lauric Acid, Sodium Methylsulfate, Sodium Lauryl Sulfate, Sodium Cocoyl Sulfate, Sodium Cocoyl Alaninate, Sodium Hyaluronate, Pantho lactone, Calcium Chloride, Citric Acid, Panthenol, Sodium Cocoyl Alaninate, Sodium Hyaluronate, Pantho lactone.
